

# The fight for food security

Watch the episode [The fight for food security](#) and answer the questions.

1. What proportion of the world's population does not have adequate access to food?
2. What categories are included in the Global Food Security Index (GFSI)?
3. Why can't food affordability be addressed simply by producing larger quantities of cheap food?
4. How can increases in women's income benefit their families and, more broadly, their societies?
5. Why is the majority of food consumed in Singapore imported?
6. What is a food desert?
